Class Descriptions

Total Body: 30 Minute fast-paced class that strengthens both your muscles as well as your cardiorespiratory system.

Dance & Mobility: First half of class is high intensity dance routines. Second half is myofascial release and stretching. Class is complete with a short relaxation at the end.

Yoga Mix: Mostly yoga but with some fun extras thrown in to keep in interesting!

FlowSculpt 30: blends yoga-inspired flow, Pilates-style core work, and glute-focused sculpting into a seamless 30-minute barefoot experience that strengthens, tones, and grounds you.

Muscle Monday: Total body strength training

Pilates Fusion: A dynamic blend of Pilates, strength, yoga, cardio and prop work designed to strengthen, tone and energize your entire body.
